

PRE-REGISTRATION

You can now pre-register for the chance to “Come on Down!” as a contestant on **The Price is Right Live™** stage show. With this new feature, only a simple check-in will be required when arriving at the theater on the day of the show.

The link provided will take you to the pre-registration page for your specific show. Check the page to make sure you’re pre-registering for the correct city and show time. There you’ll be asked for your name, birthdate (i.e., 12/31), e-mail address, and country of residence. That’s all there is to it.

And...you’ll receive a free gift “Souvenir Selfie” when you pre-register! Just follow the instructions on the page.

IMPORTANT: You must complete your registration in person when you check in at the venue on the day of the performance. Check-in opens three hours before showtime.

One registration per person. Must be 18 or older.

All contestants and instant winners are selected entirely at random, and names will be announced throughout the show. **Good luck!**
